

Planning a Pilgrimage

In the spirit of the Jubilee, the Archbishop is inviting parishioners to come to the Cathedral in Kingston for a parish pilgrimage on a date chosen by your parish and priest. As in Rome, a reservation with the Cathedral is highly recommended for groups in order to participate in activities related to the Holy Door.

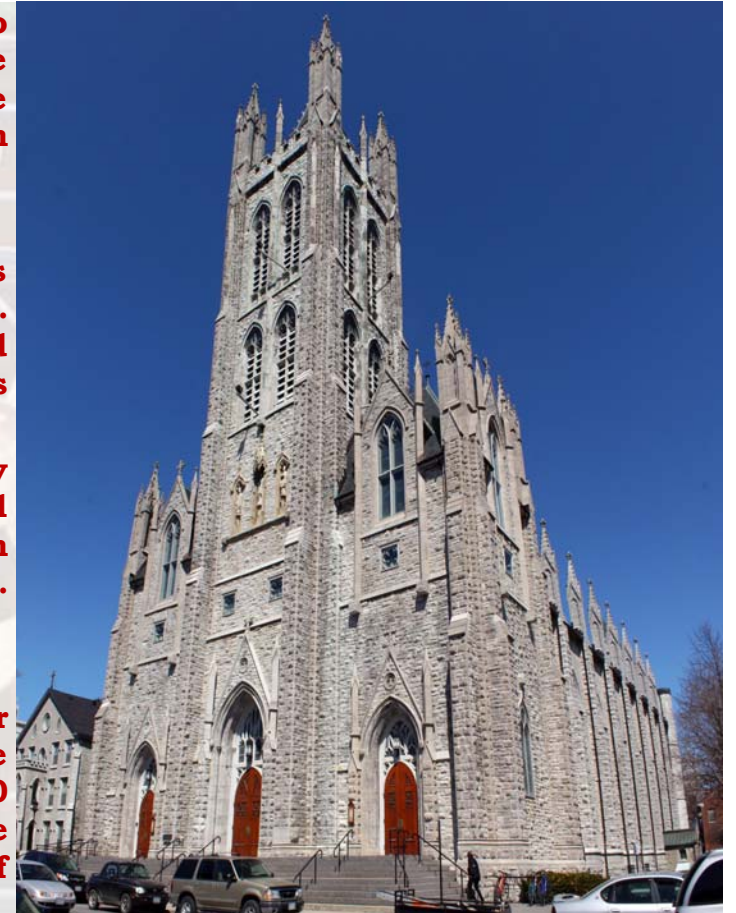

Days and Times for Pilgrimages: Tuesday, Friday and Sunday afternoons and evenings are recommended as prime times for pilgrimages. Wednesday afternoons are reserved for Adoration of the Blessed Sacrament and the Sacrament of Reconciliation; therefore, silence is required and group activities are restricted.

Arrival: When they arrive, pilgrims are asked to gather at Saint Mary Parish Centre for a brief orientation before proceeding to the Cathedral and entering through the Holy Door. A printed pamphlet is available on the Archdiocesan website for parishes which are preparing a pilgrimage. Parishes are encouraged to print these for their pilgrims beforehand.

Celebrations: A number of communal celebrations are possible after entering through the Holy Door. These include the 1) Celebration of the Mass (except on Sunday, when the Parish Mass is celebrated at 7:30 pm); 2) Liturgy of the Word; 3) Liturgy of the Hours. 4) Stations of the Cross. Each group of pilgrims will be asked to advise the Cathedral staff which of these, if any, they plan to celebrate as a group.

Reservation: Saint Mary's Cathedral is also a parish church; and so there are parish activities that take place in the Cathedral and times when the Cathedral staff are not available. Thus, it is important that a reservation be made by phoning or emailing the Rector, Father Shawn Hughes, at Saint Mary's Cathedral. After confirming the date and time of their visit, groups are asked to complete a planning form, so that the Cathedral staff may be available and prepare for their visit. The form will be returned to the group by email or fax after a reservation has been confirmed.

Hospitality: Saint Mary Parish Centre will also be available for the pilgrims throughout their visit, where they might gather to eat bagged meals, if they choose to bring them.

The Faithful Navigator Report

Sir Knights:

Celebrating our Chrism Mass this month, made me realize how powerful we are as an assembly. This event, blesses all our oils, for all of our churches, on a yearly basis. I strongly recommend that you partake in this event. It was nice to share this event with other assemblies as well. It was a good way, to lead into Holy Week, as well as Easter Weekend. Holy Week leading into the Easter Weekend is so important to celebrate with your family and your loved ones.

This month is our nomination month for a new upcoming executive. As your Navigator, I cherish the time that I spent in this position. When I speak above, on how powerful our assembly is, I'm also very proud that I have led this assembly. It's time for other Sir Knights, to take on new roles to help this assembly grow further. If you feel you can make a difference, please put your name forward.

I would also, like to take the time, in reminding all Sir Knights, to assist us, in gathering new candidates for our upcoming Exemplification. This is another part of our journey to help our assembly grow. As you're aware we are celebrating this exemplification on May 27 and May 28, at Holy Name and Our Lady of Fatima Church in Kingston, Ontario. Please come out and join us, with your wives at this event, and assist us with our new candidates.

In closing, enjoy our new spring season and continue to assist us in growing this order.

Sincerely, S/K David Cupido ~ Faithfull Navigator, Cell: 613 536 8295

March/April. 2016

It just seems that Christmas and the New Years has just passed. Now we are in the season of Lent followed by Christ's crucifixion and resurrection at Easter. During this time of the year we reflect on our past faults and through penance and reconciliation we resolve to try not to repeat the same mistakes again. This is the only way that we can become more of a Man who lives as a beloved son of God. This is a challenge for all of us, but as hard as it is, it can be achieved. I know my own shortcomings and will try my best not to repeat them. I am no better than anyone else. So it is important that I acknowledge my faults, confess them, and move on with the intention not to repeat those same faults again.

Looking ahead to Exemplification 2016 in Kingston at St. Lawrence College on May 27th and 28th, we don't have much time

left for Candidate registrations and registrations for the banquet, Ladies social, men's lunches, breakfast, and the buses to St. Mary's Cathedral for the Mass. The **deadline** for registrations is **May 1st** although candidate registrations will be accepted after that date. At the moment of this printing we have no 3rd Degree Knights registered as Candidates for this Exemplification. So I urge all Sir Knights, District Deputies, and Grand Knights in District #20 and #93 to get the word out to 3rd Degree Knights in these Councils that there is going to be an Exemplification here in Kingston hosted by the Archbishop J.V. Cleary Assembly. This would be an excellent time, cost wise, for anyone thinking of joining the 4th Degree to do so. The next Exemplification hosted here won't happen for 5 or 6 years. Other than that, each year, Candidates would have to travel to Ottawa, Peterborough, Cobourg etc. to be exemplified increasing costs for transportation and accommodations. I

have been travelling to most of the Councils in both Districts trying to promote recruitment myself, but I need your help. Working together I'm hoping that we can overcome all the odds and have a good turnout of Candidates, Sir Knights, and Ladies for Exemplification 2016. Although 4th degree Exemplifications are put on mainly for the Candidates, they need the support of all Sir Knights and Ladies. So please come out and offer your support. You will enjoy the fraternity of other Sir Knights and Ladies coming here from Ottawa, Peterborough, Cornwall, and other parts of Ontario.

In closing, my wife, Rena, and I wish you and your families the very best for a Happy Easter. May your celebration of the Lenten and Easter season become more meaningful to you and the Lord who gave his life for us so that we may be saved.

God Bless, Stephen Henderson - Fraternal Benefits Advisor

Cover your basic retirement needs with guaranteed income

The most important thing about CPP/ OAS retirement benefits is that you can't outlive them; they provide a monthly payment you'll be able to count on as long as you live. But for most of us, this income alone won't provide a satisfactory standard of living. Retirement plans such as RRSPs and RRIFs can raise your standard of living in retirement—as long as that money lasts. One way you can convert some of your retirement funds into guaranteed income for life is with a Knights of Columbus immediate annuity. Single-premium immediate annuities, sometimes called "income annuities," are designed to provide a reliable, regular income for retirees. As with all annuities, the single-premium annuity is an insurance product. With the single-premium annuity, you pay a lump sum, and generally you can begin receiving payments the following month. As with CPP/OAS, you can select a payout option on your annuity so that you're guaranteed a payment every month for as long as you live. You can also add your spouse as the joint owner so that, in the event of your death, ownership rights of the annuity—including the right to receive all future payments due under the contract—will pass to your spouse. To see whether an income annuity is right for you, start by estimating your basic monthly retirement expenses: housing, food, transportation, insurance, out-of-pocket medical expenses, etc. Subtract from this total the guaranteed monthly income you can expect through CPP/OAS (plus any defined-benefit pension plans or annuities you already have). What's left over is how much additional monthly income you should consider generating with an income annuity. With your basic monthly expenses covered by *guaranteed* income, you can use other retirement plan proceeds for the good stuff: travel, hobbies, indulging your loved ones on occasion—the things you've been working so hard for. Let me help. Please get in touch if you'd like to know more about the Knights of Columbus annuity options. ☒

Recent Youth Activates Competitions...An Update:

Many of the youth activates have completed the Regional or Diocesan level completions. Congratulations to the councils who conducted school completions, the district deputies who hosted the council's winners in the District level completions and the Regional directors who conducted the Regional competitions. It is also noteworthy that some councils are very involved with local schools and their students (some cases many dozens of students) and also, too many other councils, are not involved at all in these youth activates. The reality is these youth activities are easy and fun to do and the rewards for our councils and members who are working with local schools and youth are great.

If you council is not participating in these youth activities, please take a serious thought to ensuring that next fall your council take steps to get involved some of these youth activities. After all our council program directs us to be active in "YOUTH" and COMMUNITY" programs and what better way to do this than to participate in our orders Youth Activity programs.

May 12, 2016 National March for Life, Ottawa:

Will your council and assemblies be represented this year in this annual march and showing commitment and solidarity for the right to life? Annually thousands of citizens young and old rally on Parliament Hill to raise their voice for life especially the most vulnerable in our society. Hundreds of these citizens are Knights of Columbus from all over Ontario, many who have traveled many hours to attend. And hundreds more, are school children, especially high school children who travel by bus and car from as far away as Windsor and London to

attend. This year it is hoped that all councils and all assemblies organize a bus load or several car loads of brother knights and their families to march with us. This year why not help students from your local secondary school attend the march as well. Events of May 12 are as follows: 10:00 pm several catholic churches offer mass, some in English, some in French. 12:00 noon people gather on Parliament Hill and hear speeches from organizers and parliamentarians, 1:30 pm the main march begins through the streets of Ottawa and ends back on the Hill an hour later. More details can be found on the internet searching March For Life, Ottawa or linking to www.campaignlifecoalition.com

April 22, 23, 24, and 2016 Ontario State Convention:

The first day of the new fraternal year in our organization of knights of Columbus. Our reaffirmed or newly elected or appointed leadership take over from the previous offices of Council, Assembly, District Diocesan Association or State Council. A passing of the reigns and new beginnings.

August 2, 3, 4 The 134th Supreme Convention, Toronto:

This year the Supreme Convention is held in Toronto. Want to go, want to help? Check with your District Deputy about opportunities how you may be able to help and participate in this convention. This is a huge international event for our Knights of Columbus organization and due to the number of delegates selected it is difficult for locals to get to the formal events; but State councils is seeking helpers which can give volunteers a chance to play a helpful role.

August 7 2016 Annual Seminarian Dinner, South Mountain:

This year South Mountain Council 11725 is hosting the Annual Diocesan Association Seminarian Dinner. Plans are well underway and tickets are distributed to all association councils and assemblies. Brockville will host this Diocesan Association meeting but the address location is still to be determined. The executive is seeking to have the venues for some of the future seminars and meetings held in other towns and areas beside Kingston. It is hoped our members will show good support by attending these events as they move to various host towns.
